INSPIRED INNOVATION

Through Cheforward's striking and original designs, innovation comes to the food service market. These ranges have been carefully constructed with commercial strength materials. The result: a line of products well suited to contemporary dining that highlights today's culinary creations.

100% Food Safe

Heat Resistance

Dishwasher Safe

BPA Free

NEW
LAPIS

The Lapis line of rectangular boards is striking in its earthy simplicity. The rugged appearance and blended colours mask its melamine construction, which is both safe and highly durable. The boards are ideal for banquet and catering service – and are perfect as share plates too.

NEW
LAPIS

The Lapis line of rounded platters are striking in its earthy simplicity. The rugged appearance and blended colours mask its melamine construction, which is both safe and highly durable. The platters are ideal for banquet and catering service – and are perfect as share plates too.

TRANSFORM

The Transform line of platters are natural in appearance, but constructed from highly durable, yet safe melamine. The "wooden" finish looks like real wood. They're perfect as serving or presentation platters, ideal for commercial service.

NEW

INFUSE

Though the Infuse range of platters looks like real stone, they're made from strong, but safe melamine. Available in Stone Natural and Stone Grey, they're perfect as serving or presentation platters, ideal for commercial service.
