

TOSWARE®

DRINK • TOSS • RECYCLE

Introducing Tossware® to the Australian market. This unique range offers a combination of a 100% recyclable drinkware option that is stackable. This premium, semi-disposable range is able to be reused if required and is secure when stacked, making carrying easy and lowering the chance of spillage.

The patented stacking feature lets you save space and makes it easier for you to carry more cups at once.

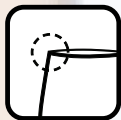

The engineered shatter proof design keeps you worry-free of accidents that can happen with regular glassware.

100% BPA free.

Tossware®'s unique combination of high quality polymer, specialized process, and purpose built equipment produces a crystal-like clarity.

The patented manufacturing process produces a thin rounded rim, which delivers the look and feel of a high end wine glass.

100% Recyclable.
