Mandoline Vegetable Slicer

CaterChef

Achieve precision and consistency in every slice with the CaterChef Mandoline Vegetable Slicer, designed for professional kitchens and busy hospitality environments. This versatile tool includes a hand guard for added safety and a comprehensive 5-blade kit to suit a variety of prep tasks.

The set features a straight blade with an adjustable cut thickness from 0 to 10mm, a serrated blade ideal for creating waffle cuts, and three julienne blades at 5mm, 7mm and 10mm. Whether you're slicing vegetables for salads or preparing garnishes, this mandoline offers accuracy and control for efficient food preparation.

Constructed from durable stainless steel with high-quality ABS components, the slicer includes a folding rear leg for compact storage. It is top-shelf dishwasher safe, although handwashing is recommended to maintain blade sharpness and prolong the life of the unit.
