

When it comes to precision glassware, Nude offers a complete solution for the hospitality industry. Nude is the creator and manufacturer of contemporary glassware.

Launched in 2014, in collaboration with artists and designers, Nude has created collections which pay attention to detail whilst creating something inspirational with a sense of simplicity.

Nude products are made with only one material: lead-free crystal glass, hand or machine-made, that delivers a level of transparency and delicacy unparalleled in the world of glass.

NEW
 ALBA

'Alba' is Gaelic for Scotland. This collection pays tribute to the spiritual home of whiskey. These decanters are punctuated by a hand-engraved Tartan pattern on the base and feature a unique stopper which leans omni-directionally.

NEW
 CHILL

The Chill collection consists of a decanter with matching bowls. Elegantly smooth, they are made from the finest crystal glass, sitting on a base of high quality marble which creates both a sense of weight and authority. The marble base is designed to be placed in the freezer in order to keep the products cold, fresh and undiluted.

The rippled corrugated effect of Mist creates an optical illusion reflecting the different colours of the contents in an almost magical way. The blurring of flower stems helps bring into focus the colour of the petals. The wider profile items within this range are suitable for storing newspapers, books or magazines.
