CRAFT BEER

Ice-cold beer is one of the world's most popular beverages with its refreshing taste sensations and unparalleled flavour creations. The distinctive variations possible in aroma and taste are best suited to different shapes and this is where

Pasabahce's new additions to the Craft Beer market work so well. Offering different designs and options this range adds to the visual spectacle of bubbles, foam and consistency to increase the taste and experience of every drop.

**NEW**

CRAFT BEER

Drinking a beer in a glass suitable for its characteristics increases its taste and also reveals the unique flavours that come from its hop, malt or yeast.
