

With over 80 years of manufacturing experience, renowned European glassware manufacturer Pasabahce is one of the largest producers of glassware globally. With 8 factories and exporting to over 140 countries, Pasabahce are iconic for offering a broad portfolio of tabletop items from traditional stemware and tumblers to glass servingware and premium crystalline products.

Pasabahce concentrates on developing the latest technologies so as to always offer the best possible products.

These Diony tumblers feature an elegant design with a sense of style. A modern take with traditional styling, through a classic crystal cut pattern on the base which blends into faceted pannelling. These glasses will enhance the pleasure of drinking.
