# Moda Porcelain

The stunning Moda Porcelain range from Trenton International is reminiscent of artisanal ceramic but can withstand the rigours of commercial use.

Crafted from natural clay, the range's colour palettes work well with any interior. The latest trend leans towards softer and more subtle decors which Moda Porcelain provides a style to complement.

The word Moda means fashion, and thus these Moda Porcelain ranges offer a touch of glamour and natural style.

With 5 colours to choose from, a single colour selection will create a subtle elegance whilst mixing the colours creates an appealing eclecticism.
