

ROYAL LEERDAM

Royal Leerdam is one of the largest glassware manufacturers within Europe, manufacturing since 1765.

They have two operations based in Leerdam (The Netherlands) and Marinha Grande (Portugal), producing for a worldwide customer base.

At Royal Leerdam the staff are dedicated to creating glassware in the most sustainable way, by collecting and re-using the glass in the factory so that each new glass starts with 20% to 50% of pre-consumer recycled glass.

The brand offers a versatile collection of wine glasses, tumblers, cocktail glasses and presentation pieces.
