

Moda Porcelain Vintage

Vintage Cinder & Hush by Moda Porcelain captures the soul of aged and antique ceramics. Inspired by the reactive glazes of old pottery, where colour pools and shifts unevenly across the surface, each piece carries scalloped edges and embossed floral detail true to the era it draws from. The result is tableware where tonal variation and raised pattern give every piece character.

Offered in two reactive glazes, Vintage moves through the soft off-white of Hush, where subtle buttercream tones break through, and the deep red of Cinder, where brown patina peaks through. Fully vitrified and built for commercial service, Vintage Cinder & Hush pairs the timeless beauty of vintage-inspired ceramics with the durability needed in modern hospitality settings.
