

Fire

Fire by POTTR captures the soul of one of pottery's oldest traditions. Inspired by the art of wood-fired ceramics, where natural minerals vaporise within the kiln and settle across the clay, each piece carries the organic, brush like glaze effects that only fire and time can create. The result is tableware alive with character, where soft tonal shifts, subtle drips, and one-of-a-kind edge details give every piece a story of its own.

Offered in three semi-matte glazes, Fire moves through the warm, earthen rust of Ember, the deeper ash tones of Smoke, and the soft, grounded bark of Timber. Across the colourways sit seven chef-driven shapes, walled plates and coupe bowls crafted for modern plating, each one reacting differently in the kiln, so no two pieces ever finish the same.

Fully vitrified and built for the demands of commercial service, Fire pairs the timeless beauty of hand-crafted pottery with the durability hospitality relies on.
