

## Reno

A silhouette popularised in 1970's America, Reno brings nostalgia to the table. Inspired by a revival of bistro and diner culture, the range features soft, rounded shapes in a suite of plates, bowls and beverage ware. The off-white ceramic body adds warmth to service, giving each presentation a homely feel reminiscent of a bygone era.

As with other Tuxton ranges, Reno is fully vitrified with enhanced chip resistance, ideal for busy restaurants, hotels and bars.
