

# Rooftop

Rooftop by Zwiesel Glas combines delicate design with exceptional functionality. Inspired by the world's 50 best bars and developed with experienced bar experts, the collection features thin-walled glasses, compact sizes, and a retro design language. Small bowls concentrate aromas and create an intense sensory experience, tailored to the demands of professional bar concepts.

Machine-made in Germany from Tritan® crystal glass, Rooftop bar glasses impress with brilliance, durability, and dishwasher safety.
