

New Release

Introducing Utopia as the newest exclusive partner to Trenton. Utopia is the UK market leader in tableware and glassware for the hospitality industry, exporting internationally.

Our first ranges from Utopia include a variety of vintage inspired collections - Raffles' retro inspired cut glass, Deco's deep ridged tumblers, the delicately corrugated Hayworth and the elegant optics of the Society coupe. These, and our collection of votives, evoke a feeling of opulence, adding a touch of luxury to any venue.
