

Alice, Deca, Vino & Remote Control

Choose your ambience with three new lamp styles from Lampa table lights: Alice, Deca, and Vino.

Lampa lights are made from die-cast aluminium, and are IP65 rated for enhanced durability in all-weather use cases. With sleek, contemporary designs and extensive wireless benefits, the Lampa range sets the atmosphere with up to 3000K light temperature and a CRI (Colour Rendering Index) above 80, ensuring all surrounding colours stay in their natural state.

In addition to these new designs, unlock the freedom to set the mood with the new Lampa Remote Control, putting convenient wireless features at your fingertips.
