

Rhythm

The stackable Rhythm range from Libbey brings understated character to any bar or table. Vertical optical ribbing catches the light and adds visual interest to any pour. Smooth to the touch and easy to clean, the detailing is as practical as it is distinctive.

An inner rim allows for secure stacking, keeping back-of-house organised when space is at a premium. Dishwasher safe and strengthened through Libbey's DuraTuff heat-treating process, these glasses offer enhanced resistance to the thermal and mechanical stress of busy service. DuraTuff also improves rim durability, the area most exposed to impact during stacking.

Available in a 350ml Beverage and 260ml Rocks, Rhythm suits a wide range of service occasions, from cocktails and mixology to iced coffee and water.
