Performance with flair and functionality, Gallery by Libbey has been designed to look as good stacked on a bar as it does served and garnished. A unique faceted design adds interest to each drink, interacting with the liquid and light in beautiful ways. The thick base provides a weighty elegance, planting the drink firmly in place for an elevated drinking experience.

A considered inner ridge allows for balanced, consistent-looking stackability – ideal for small spaces where storage is at a premium.

The Gallery range features Libbey's DuraTuff-treated glass, designed to strengthen the upper portion of the glass, which is the area most vulnerable to breakage. This treatment enhances its resistance to thermal and mechanical shocks.
