Top Class

Introducing a new take on the ever-popular Top Class range for those who want to make a minimalist, contemporary statement: Top Class Square. The rounded square shape presents drinks in a new light when opposed to its counterpart, making use of flat edges for enhanced beverage clarity.

Exceptionally light and durable, the thin walls are possible thanks to SON.hyx® superior blown crystal glass. This outstanding material preserves brilliance and transparency even after more than 4,000 industrial dishwashing cycles.
