

Gembrook

Gembrook embodies the organic nature of clay with its unique craftsmanship. A remarkable fusion of form and function, featuring a fully vitrified clay body and decorated with a reactive glaze.

Each item is decorated with a sheer white, hand-applied glaze, allowing the beauty of the clay to show through. The bottom of each piece and small portions of the top are unglazed, to authenticate where the potter would hold each piece while glazing, resulting in double dips, drips, and exposed clay lending to its hand-thrown authenticity.
