ATHENA®

Regal is the newest addition to Athena's chafing dish range. With a similar design to Prince, Regal features a large tempered glass lid that provides a panoramic view of the food aiming to raise the customer's appetite.

Its clean and compact silhouette adds to the quality design that included Athena's patented hydraulic hinge and heavy gauge 18/10 stainless steel body. Suitable for use on induction or electric cooktops, as well as with chafing dish fuel.
