

'Stonecast' is a collection of rustic and hand decorated products from Churchill. Reviving classic designs from the Churchill archives, each pin fired piece is hand painted then finished with a fine speckle & rustic, golden brown edge. The nature of this process means that every piece will be slightly different, adding to the overall charm of the product. Stonecast complements all types of food and adds value and authenticity to the overall presentation. The range is suitable for a broad range of settings, from cafes and pubs through to premium restaurants, for anyone looking for an eye catching product by which to showcase their dishes.

The subtle elegance of Stonecast Barley White provides an ideal platform for food presentation, from rustic pub food through to more elegant restaurant dining.
