

 ID Fine

Capture the romance of northern Italy with the Verona range by ID Fine. A floral border of lemon blossoms and delicate foliage wraps around each piece, accented with soft botanical illustrations and applied using state-of-the-art digital printing to achieve layered depth and textural contrast. At the centre, a clean white porcelain base keeps presentation focused and refined — ideal for fresh, seasonal fare.

Verona is offered in a selection of plates, bowls, and generous oval platters, with both modern and scalloped embossed edge styles available to suit different dining settings.

Combining timeless floral patterns with the precision of digital craftsmanship, Verona is perfect for venues seeking a nostalgic, storytelling-led aesthetic on a porcelain body built for commercial use.
