## Oval Scalloped Wide Rim Plate Astoria Emerald

### Luzerne

Luzerne's latest addition **Astoria** in New Bone porcelain boasts a refined scalloped silhouette that exudes timeless elegance to any tabletop.

The creamy ivory colour enhances food presentation, with the scalloped edge framing the food beautifully and drawing the eye towards the center of the plate.

**Astoria Emerald** brings a sophisticated green accent, offering contrast for light and fresh cuisine, or pairing beautifully with darker tablescapes.
