MC

Introducing our new Brand NMC, with paired back simplicity in versatile contemporary shapes and colours in vitrified porcelain.

We bring you 3 Unique ranges, Parade, Maze and Homestead.

Parade comes in two neutral colours, Husk and Marshmellow. With a soft matt finish, the colour is dappled on each piece to create a distinctive difference.

Homestead Olive, a soft creamy white with a hand painted band across all pieces.

Maze Kale, a soft green glaze enhanced with an irregular digital design, adding a subtle interest to this collection.
