Aspen White Round Flat Coupe Plate

POTTR

Born from the hands of skilled artisans, Aspen by POTTR is a celebration of modern dining. Its soft coupe silhouette is detailed with subtle concentric ribbing that draws the eye towards the centre of the dish. An exposed foot grounds each piece in nature, honouring the range's handmade origin.
Available in White and Black Smoke, Aspen offers dramatic contrast to food presentations. Black Smoke is finished with a hand-applied reactive glaze that pools and drips along the rim, making every piece entirely unique.
Fully vitrified and made for professional kitchens, Aspen is crafted for chefs who value texture, tradition and considered design.
