

LE BALLET

"Le Ballet" by Rak Porcelain, a Bone China collection.

Inspired by the finesse and grace of classic ballet. Elegant silhouettes, supple stances and technical brilliance celebrate in symphony to unveil three of our gallant ranges **BRAVURA, FEDRA and SPECTRA.**

'Bravura' is designed by The Robin Levien Studio of UK featuring an elegant assortment of pieces which are universally functional.

'Fedra' was designed by RAK Porcelain's inhouse design team and consists of a comprehensive spectra of shapes. What is common to all three ranges is their sublime shapes and dazzling translucency at the same time a product which is light, but sturdy for the rigors of hospitality.

These ranges are manufactured using certified natural mineral powders making them light weight and highly translucent in radiant ivory which is ethereal.
