

**ZUMA** our hospitality work horse, is made with a fully vitrified body and rolled edges to produce a strong and commercial grade durable crockery.

The Zuma range consists of 13 colours to select from, establishing the ideal opportunity to mix and match colours for your own innovative style & cuisine.

Zuma is produced using once fired technology, which reduces the impact of the manufacturing process on our environment.

## PRODUCT ITEMS

| Item Img  | Item Number             | Description                | Diameter | Colour Range | Brand | Material  | Features  |
