

## CROWN GLASSWARE

---

Proudly Australian owned since 1926, Crown Glassware are known for consistency of quality, compliance to meet the National Weights & Measures standards of Australia along with competitive prices.

The brand also offers a range of specially toughened glasses for supreme durability. These toughened glasses are 4-6 times stronger than normal glassware meaning a benefit from a reduction in replacement costs. They are also highly resistant to thermal shock which is caused through sudden temperature change.
