

NEW BRAND. SAME GLASS.

ONIS is the new brand of two European glassmakers, who brought authenticity and uniqueness to glassmaking. Continuing to design outspoken glassware with a statement to bars, hotels and restaurants, inspiring professionals to add value to drink creations. All details count when creating that ultimate drinking experience, where the glass is the finishing touch. ONIS always has the right glassware. From durable pieces that are practical to use and meet the highest professional standards to iconic classics stylishly fitting all venues, resulting in the perfect serve.

NEW ERA range offer stackable tumblers featuring **Onis' Xtratuff** treatment which refers a super strengthening thermal after-process which is performed to the upper third of the glass, adding toughness, durability and resistance to breakages. This process also reduces wear and tear of stackable glasses, helping to meet the highest professional standards in glassware.
