Ocean

Santé by Ocean glassware is a modern yet timeless classic, combining the perfect mix of form and functionality needed in fast-paced hospitality environments.

A fine rim and unique angular bowl shape adorn each item, adding lustre and refinement to drink presentations. The bowl shape, acting as a visual cue for optimum pour levels, ensures the perfect pour every time whilst creating beautiful volume to the drink, ideal for consumers and operators alike.

To effectively enhance durability, Santé's specially designed slender stem has been thoughtfully crafted to be up to 50% stronger than general sodalime wine glasses, reducing breakages for long-lasting use.
