

- HACCP approved
- Designed for prolonged and heavy professional use
- The handle has a core of polypropylene (PP) and soft rubber coating on the outside. The special mixture of materials give greater comfort and adaptability as well as being non-hygrosopic (does not absorb liquid).
- Exclusive NITRIUM® stainless steel blade
- Colour Identification System: Each knife can be identified for a specific use by using the indicator on the handle, this promotes better hygiene and health for the consumer
