Moda Serving Deco Round Tray

moda

The Moda Deco Servingware collection draws on the ornate detailing and material richness of a vintage aesthetic. Inspired by mid-century design and the decorative character of a bygone era of service, Moda Deco translates this sensibility into a range built for the rigours of modern commercial use.

The round trays and oval platters are crafted from stainless steel with a brushed semi-matte finish and ornate edges.

Made from durable stainless steel, each piece is fully dishwasher safe and designed to perform across the demands of a commercial kitchen.
